Director's Note:

It's easy to say that theatre is a collaborative endeavor, but I would like to provide some perspective on the level of this collaboration and express my appreciation and excitement over what you are about to witness. This production has involved the entire full-time Theatre Arts faculty, staff, and over 100 students from both the Theatre Arts Department and Digital Arts Departments. Over the past 14 weeks, students have designed, built, and rehearsed countless hours toward the event tonight. All of the elements you see have been painstakingly broken down and structured to share a unique vision of this timeless classic. I could not be more proud of all the student accomplishments or more honored to be part of a department with such high professional standards. Please enjoy the show.

Special Thanks to:

Fullerton College Art Department, Innovated Graphic Solutions, The West Coast Armory: Theatrical Weapons and Props, Kate Mueller, Rob Najarian, Thea McLean, Tim Espinosa and Candice Clasby
